By placing an order for the Goods you shall be deemed to have accepted these conditions to the exclusion of any other terms and conditions set out or referred to in any other document or other communication used by either party in concluding the Contract.

2.2 By placing your order you acknowledge that you place no reliance on any statement which has been made or may be made concerning the order other than one made by the Company in writing.

4 QUOTATIONS

Any quotation remains valid for a period of 30 calendar days only unless otherwise stated, and may be withdrawn at any time prior to the expiration of 30 calendar days.

5 SPECIFICATIONS

The Company reserves the right to alter the specifications of the Goods, where necessary, to comply with regulations or legal requirements or where such alterations do not in the Company's reasonable opinion materially affect your expressed requirements.

6 COMPLIANCE

You are responsible for obtaining all consents, and for complying with all legal requirements necessary, to import into and operate goods within any country other than Germany.

7 DESPATCH AND DELIVERY

7.1 The Company will use reasonable endeavours to deliver on the dates or to any programme of dates agreed, but delivery dates cannot be guaranteed and time of delivery is not of the essence of the Contract.

8 TITLE AND RISK

8.1 The risk in the Goods shall pass to you on despatch from the premises of the Company or, where the Goods are to be collected by you, on you collecting the Goods from the Company.

8.2 Title to the Goods shall not pass to you until the Company or Group Company (as the case may be) has received (in cash or cleared funds) payment in full of the sums due from you:

- (a) under the Contract; and
- (b) under any other contract the Company has with you; and
- (c) under any other contract you have with a Group Company.

8.3 Until title to the Goods has passed to you, you shall:

- (a) hold the Goods on a fiduciary basis as the Company's bailee;
- (b) store the Goods separately from all other goods held by you so that they remain readily identifiable as the Company's property;
- (c) not remove, deface or obscure any identifying mark or packaging on or relating to the Goods;
- (d) maintain the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery;
- (e) notify the Company immediately if you become subject to any of the events listed in clause 13; and
- (f) give the Company such information relating to the Goods as the Company may require from time to time, but you may resell or use the Goods in the ordinary course of business.

8.4 If before title to the Goods passes to you, you become subject to any of the events listed in clause 13, or the Company reasonably believes that any such event is about to happen and notifies you accordingly, then, provided that the Goods have not been resold, or irrevocably incorporated into another product, and without limiting any other right or remedy the Company may have, the Company may at any time require you to deliver up the Goods and, if you fail to do so promptly, enter any premises of you or of any third party where the Goods are stored in order to recover them, and you hereby give the Company permission to detach them from any other item(s) they are attached to.
